

Class 3

Autumn Term

Year 3 PE lessons

Practical maths lessons

Investigating solids, liquids and gases.

What a busy term! Since returning to school in September, it really has been non-stop. We have studied many topics including 'Egyptians' in History, 'Embroidery' in DT, 'States of matter' in Science and 'People of God' in RE.

In English, we have covered writing styles including persuasive leaflets, instructions and cultural story writing. The children enjoyed writing their own classical poetry which rhymed.

In Maths lessons, we have studied place value, fractions, shape, written and mental methods for addition, subtraction, multiplication and division.

As well as all this academic work, the children have been keeping busy in PE when Stoke City came to teach us skills associated with invasion games. In Art, they really enjoyed walking to the local stream to recreate a landscape image using oil pastels. In History, we even mummified a member of our class! In DT, we spent a whole day designing and creating our Christmas stockings, they looked amazing!

Next term, we are exploring many topics including 'Sound' in Science, 'Artist Study' in Art and 'The United Kingdom' in Geography. In English we will be

Embroidery Day

Roald Dahl Day

Writing in hieroglyphics

studying information texts,
descriptive writing and poetry.
